Join Us in Creating a Sustainable Ski Area in Alaska's Chugach National Forest

The mission of the Manitoba Mountain Ski Area Restoration Project is to develop a recreational ski area that offers both a family ski experience and big mountain terrain, utilizes clean energy, promotes winter outdoor recreation, and increases economic stability and regional employment opportunities on the Kenai Peninsula.

Chuck Norris Skis Here
No, I'm serious. Chuck Norris really skis here.

If you want skiing, real skiing, Templeton is NOT your resort. Why? It doesn't exist when you close your eyes at night and dream of deep, endless powder turns. That's what Templeton is all about. That and an imaginary resort to be a place holder for the new SlopeFillers wordpress theme for ski resorts.

A Note from Karen
I love to cook, this is where I can write little notes to visitors and let them know what is going on with the site, my cooking life, etc. It can be long or short, however much I feel like writing.
